BE AN INNOVATOR FOR CHANGE

SPP is a multi-disciplinary
graduate institution committed
to the values of open society
through the study of public
policy, innovative teaching and
research, as well as meaningful
policy engagements, to tackle
some of the most urgent
problems of our time

"The program provides students
with a solid conceptual
grounding in international
dimensions of public affairs
including skills that will prepare
you for a career in policy-
making, government,
international and non-
governmental organizations."

Professor Nick Sitter
MIPA Program Director

*SPP is vigorously inclusive, attracting both students and faculty
from diverse backgrounds who draw upon a wide variety of
knowledge sources.*

2019-20 SPP Student Representatives

ABOUT SPP

The School offers four master's degrees in public policy, as well as a PhD in Political Science in the public policy track. The degree programs attract students from around the world seeking careers in the public, private, and not-for-profit sectors at the local, national, European Union and international levels.

The School boasts a team of outstanding resident faculty, world-class visiting faculty made up of top researchers, and practitioners in the public policy field who bring a wide array of academic and practical experience.

CAREER OPPORTUNITIES

The course is designed to give graduate a broad interdisciplinary base that draws on the *disciplines of economics, international relations, politics and public policy*. An interdisciplinary degree with an international profile intended for *students who aspire to work in international organizations, NGOs, public administration, or related fields such as journalism and academia*.

The program is open to students with undergraduate degrees in social sciences, humanities, law and related subjects.
